

Student Organization Sponsorship Policy

Each year Career Services sponsors several Student Organizations, through the provision of organization t-shirts. Career Services can provide orange t-shirts with the "HireOSUgrads.com" logo on the back. Student organizations are allowed to have their own image printed on the front (images must be approved by OSU Career Services). Student Organizations are responsible for printing cost associated with their image. OSU Career Services is responsible for the cost of the shirt and back image printing.
